Summary

Aspiring Front-End Developer with a background in healthcare and management, transitioning into tech. Skilled in HTML, CSS, JavaScript, jQuery, Node, Nuxt, React, Vue, Python, PostgreSQL, and Django. Passionate about building responsive, user-friendly websites and applications. Strong teamwork, communication, and organizational skills. Seeking a front-end role to apply and grow technical expertise in real-world projects.

Work Experience

Full Stack Web Development Intern, Business Web Solution (Internship)

November 2025 - January 2026

- Developed front-end user interfaces for several complex web applications with HTML, CSS, and JavaScript.
- Utilized React frameworks to create interactive, responsive, and user-friendly web designs.
- Gained experience with Python, Django, and PostgreSQL for backend support.

Traveling Dental Assistant, Pacific Dental Services

March 2022 - Present

- Assisted with procedures, sterilization, and patient care in a fast-paced environment.

Manager, Panda Express

September 2012 - March 2022

- Managed a team of 50 employees to ensure efficient operations, customer service, inventory, and staff training
- Developed and implemented a cost-saving system to reduce overhead expenses.

Dental Assistant Intern, Implant and Adult Dentistry

July 2020 - January 2021

- Assisted dentists with a variety of procedures, such as fillings, extractions, and root canals.
- Prepared and sterilized dental instruments and equipment.
